### **QOUNTY CORRESPONDENCE.**

SMORY RIDGE.

DEAR CAUCASIAN: I have been citizens and troops, and several find the ravages of the grasshoppers the next day, as it were, amuse them bloody and fatal encounters have to be very bad. They have eaten selves, but those who were present Staple and Fancy Glocelia taken place.

Anton Haber, a saloon keeper in the corn, which were looking very all the grass, meadows, and most of enjoyed themselves.

> soon, leaving the bondholders and oats in the last four or five days SYRUPS. There is great scarcity of provisions on the couth side of Davis creek; days are not less than they had done before. Many SOAPS, STARCH, days are not less than they had done before. Many SOAPS, STARCH, days are not less than they had done before. Many SOAPS, STARCH, days are not less than they had done before. many families living on bread and or been planted. They are now play-water, and do not know where the ing and havor with the apples, eating next bread will come from. It is not so bad on the north side, but the even the leaves and young shoots

meadows, gardens, hemp, etc. As they increase in size the damage is also increased.

The farmers here are discussing lettuce, greens, etc. but the hoppers. we were enjoying hugely our onions, lettuce, greens, etc., but the hoppers have driven us again to our winter the subject as to whether it is best to leave their homes and go where a crop will be made, or bring it here. I think they will have to adopt the former, as they haven't the means to

about bonds and taxes. I think they will make a compromise and settle the whole matter. Gov. Hardin

the whole matter. Gov. Hardin ought to call the legislature, and pass a stay law embracing the hopper counties.

Thursday, June 3, the day set apart for fasting and prayer, was observed all through this part of the county, at Mt. Hebron church. The services were conducted by the pastor, Rev. Mr. Clemmon. He preached a very appropriate service to a very appropriate service. ed a very appropriate sermon to a large and attentive audience. Every one seemed to join in the spirit of the service.

The festive hopper is still increa-

the last day and night. Some be ginning to fly a little; but are now eating the leaves off the fruit trees, and will probably destroy most of the crop.
Dr. Bradley, of Mayview, is very

low with inflammatory rheumation in a heart being affected. Yours, as ever, RAMBLER.

### HIGGINSVILLE.

The all absorbing grasshopper in still pouring his devastations on us with unabated fury ; the gardens are ruined and much of the core and bemp, and still they are here and forth the real destitution that is at 'still they come,' and all is not told yet. The army worm is upon us; neighborhood. Last winter the and that is not all. They are worse than the grand army of the Repub- with the depredations of Mr. Hoplic with the Beecher-Tilton case, per, does not leave, in this neighbor Harriet Beecher Stowe, Uncle Tom's tion thrown in, to say nothing of Brigham Young's free love, Wood-bull, Classin & Co. All this did not

happen in Higginsville, but was no-ticed merely as an illustration.

Father Gray gave us a grand ser-mon on the 3d, but the people are too deprayed, too far gone, I fear, for the hand of resurrection ever to reach are already suffering, and no means known to any in this neighborhood to relieve their wants. Gardens swept as clean as the road; corn has been enten the second and third time; and not a sprig of timothy or them. May God have mercy on us.

Hackley had his dram shop burned down, which is some comfort, to know that the place is without whisky, onpreparations to replant, should the hoppergrass take his departure.

We all feel very grateful to Mr. Jo Hook and others for their kindness in procuring seed corn for this and Sniabar townships. Should we survive the cales into a procuring the same in the sa ly as medicine, you know.
I would write you some items but the time for writing is gone, and we are not to be heard for our 'much

### WAVERLY

y and use our utmost endeavors to show them how deeply we appreciate the interest they have manifested in EDITOR CAUCASIAN : Many of our farmers bave plowed their corn over ver it the third time. are laboring under a severe attack of the blues, but they should not de-spair, 'as the darkest hour is just be-fore dawn.'

We have been visited, this week by two of Lexington's business men. Messre. Ardinger and Gratz. The latter gentleman has a branch house in this place. Mr. Ardinger is of the opinion that our merchants are doing a better business than is being done in Lexington.

The copious rains that have faller within the past ten days have thoroughly softened our heretotore dried and parebed soil, and caused vegetation to spring forth in growth with this blessing comes a curse or pest in the shape of army worms by the tive upon meadows, pastures, corr fields and gardens as Gen. Sherman and his hosts were upon the country from Atlanta to Columbus in 1864 Nothing of value is left in their march. Thank God, these of short life. The grub wo Thank God, these pests are ng some danger to corn. Can hear of them at work on a few farms only.

## MATVIRW

Having occasion to ride across Davis creek, where I heard the hoppers had made their final settlement, thought probably the tale was overdrawn, but not so. A pen deabsent in California for more than a year, returned a few days ago. He scription would be far inadequate to portray the situation. I have beard of countries having been devastated. and always thought a vivid imagination belped to describe the picture, but I am now convinced to the conbut I am now convinced to the con. have driven us again to our winter diet, and now our vegetables are 'numbered with the things that were,' In accordance with the govern-or's proclamation, our community held a prayer-meeting at Flournoy's school house. If it is more becom-ing at one time than another for men and women to humble themselves before their Maker, this is certainly one of the becoming times. At this one of the becoming times. At this schoolhouse I speak of, situated just

schoolhouse I speak of, situated just over our border, we have interesting lilinois, the blue grass region of weekly prayer meetings, and a four-ishing union Sabbath school, which is under the supervision of A. T. Kirtley, who is not only an earnest and faithful laborer in the Lord's vineyard, but an excellent Sunday school superintendent.

We have a philosophical friend who has been much exercised over a puzzle propounded by Rav. G. W. Smith, now of Lexington, to this effect: How is it that the sun, which is always south of our latitude, can shine in at a north window? Can We have a philosophical friend who has been much exercised over a puzzle propounded by Rav. G. W. The letter is dated Booneboro, Smith, now of Lexington, to this effect: How is it that the sun, which is always south of our latitude, can shine in at a north window? Can some of your county correspondents explain it for him?

If there is an early variety of corn latitude is an early variety of corn have had to be replanted, and from present appearances more of it will

to be had in your town, Mr. Editor, bundreds of our farmers would be glad to hear of it, as they would like to purchase it.

are no destroyers, but as there were no destroyers, but as is, it will be a short crop indeed. the county, depicting the ravages of

> A Mare Cured of a Broken Leg.— A mare, 15 years old, heavy in loal, belonging to Mr. A. Gubner, of L. I., broke her off hind leg about six weeks since. Veterinary Surgeon Waters, of Brooklyn, was called in andertook the case, placed the mare Hugh T. Wilson line slings, set the leg, and the mare open out a large was turned out all right, and not a ment of Butterick's Pa and inhumanity of destoying an animal that has had the misfortun o break a limb. Many a valuable borse that is destroyed might be saved and a life of usefulness pro-longed by following the example of our friend Gubner.—[Exchange.

"I feel very queer!" was the re mark of a "corpse" in Chicago, with whom a party of friends were set-ting up. This little deviation from the general conduct of corpses made the sitters up feel very queer too Old Muddy is again on her annual swell; June rise, I presume. Many have predicted a great overflow, but in getting people to sit up

St Louis Dispatch: Dodge, an ex-reporter of the Dem-corat, who was Coloney's lieutenant in the whisky business, has received with quite a loss lately in the way of his reward in the shape of the appointment of gauger in this revenue district. Dodge is a graduate of Marietta college and a grandson of old Joe Holden, one of the

county have driven nearly all their cattle to various localities in Kansas for pasturage. Thousands have the Leavenworth young ladies, left a few days ago, to within the past two weeks; as bigh visit relatives in Kentucky. She as seven and eight thousand will be absent nutil fall. Her sweeting in a single day.

> Has not a great country always its provincialisms? Out in Kansas instead of referring to the soythe and whet-stone, the farmer mentions his "mowse-blade" and "whet-rock.
